

## **Renewal Student Grant Applications 2012/2013 Academic Year**

The existing grant awarding authorities will continue to process renewal applications for students to whom they are already paying grants until those students have completed their current courses. A renewal/re-assessment form will issue in July 2012 and be sent to all students who are expected to progress to the next year of their current course.

**All students currently in receipt of grant funding and changing course or progressing to a course at a higher level in the 2012/13 academic year must apply for grant funding using the on-line application process to the new centralised authority (SUSI).**
